About Madalena

Madalena is an independent, Canadian-based, international and domestic upstream oil and gas company whose main business activities include development, exploration and production of crude oil, natural gas liquids and natural gas.

Internationally, Madalena holds three blocks (135,000 net acres) within the prolific Neuquén basin where it is focused on the delineation of vast petroleum in-place shale & unconventional resources in the Vaca Muerta and Lower Agrio shales, alongside tight sand plays in the Mulichinco and Quintuco. The Company is also developing a conventional oil play in the Sierras Blancas formation.

Domestically, Madalena's core area of operations is located in the Greater Paddle River area of west-central Alberta where the company holds approximately 200 gross (>150 net) sections of land (78% average W.I.) encompassing multiple light oil and liquids-rich resource plays. Madalena's domestic focus is to exploit its large inventory of horizontal development locations on its Ostracod oil, Notikewin/Wilrich liquids-rich gas, and emerging Nordegg oil & liquids-rich resource plays. Madalena also holds more than 100 net sections (100% W.I.) of Duvernay shale rights.
